

The Rotary Club of Naples

Learn to Earn

Application for Financial Assistance

Mission of the Learn2Earn (L2E) Program

To guide and provide resources to Southwest Florida adult residents with financial need seeking post-high school career, technical, occupational training or academic education in a 2-year associate degree program, all that lead directly to employment. The L2E Program does not provide scholarships to students pursuing a 4-year bachelor's degree.

Scholarship Application

The **Scholarship Application** with this cover sheet is for students to complete with any assistance needed from others. In addition to the application, two letters of recommendation from non-family persons are to be submitted. Additional letters of recommendation or other materials can also be submitted by the applicant if desired. Candidates are to submit an application to L2E only after the candidate has submitted an application to a program. All L2E application materials should be sent to Dr. Bruce Mousa at bmousa@ufl.edu.

After submission of a complete set of application materials, the application will be reviewed by L2E representatives and the candidate may be contacted for a further personal interview. Determination of financial assistance will be made on a timely basis as soon as it is possible.

Name _____ Phone _____ E-mail _____

How long have you lived in SW Florida, where did you live previously and why did you and/or your family come to SW Florida? Please be complete and specific.

What is your current and past work experience with names of employers and dates of employment?

What are some of the personal skills, abilities and attributes you believe you have that will assist you in your potential program and future employment?

What is the type of career or vocational program desired and where is the program offered?

What is the length of the program, when does it begin and end and what are the days and hours of attendance?

What is the status of your application to the career or vocational program at the school noted in the previous question? When will a decision be made on your acceptance into the program?
Please note that scholarships will not be considered until an application to a program has been submitted.

What is the cost of the program, including tuition, books, fees, uniforms, tools/equipment, and any other expenses? Please be specific for amounts in these categories.

What scholarships and/or grants are expected or have been applied for? Please list specific amounts of awards.

What is your financial need to complete this program? What is your ability to contribute to your program costs? How would you fund your program without financial assistance?

Please provide the names and contact information for the non-family persons you are asking to complete letters of recommendation. List any other persons who could be contacted to provide information about you. Please note that two non-family letters of recommendation are required to be submitted with the application.

Additional Comments (optional).

Please submit application materials, including a minimum of two letters of recommendation, to Dr. Bruce Mousa at bmousa@ufl.edu. Dr. Mousa is also available to respond to questions.
